

SÉNUVO[™]
GOODNESS EMPOWERED

SÉNUVO FACT SHEET

Company

- Sénuvo is a health and wellness direct sales company headquartered in Utah.
- Sénuvo was inspired by the French word for “new beginnings.”
- Founded by an experienced businessman to give back to those in need while providing significant business opportunities for others.
- Sénuvo’s lucrative compensation plan generates 2.5 times more income than the industry average by paying on the Power Leg and offering ten levels of Team Matching Bonuses.

Products

- The flagship product, **Sénuvo Power Crystals**, feature a blend of Maca and other potent Superfoods offering unparalleled nutrition. Sénuvo uses award-winning, infrared technology to lock in all of the goodness of these Superfoods into a delicious, easy-to use powder.
- **The Sénuvo Foundation** targets the body’s specific needs while restoring balance to achieve optimal health. Available for Men, Women, Menopausal Women, and Digestion.
- Using cutting-edge research, **Sénuvo Body SIMs** are programmed with specific frequencies to safely and effectively stimulate acupoints. Available for Weight Management, Discomfort, Men, Women, Performance, Allergy, Devices, Relaxation and Wellness.

Mission/Vision

- Sénuvo’s lucrative Povernary Compensation Plan empowers Independent Business Centers (IBCs) to generate wealth for themselves and their families for generations to come, thereby giving life-saving aid to those in need through the Mobility Mission.

Founder/ Executives

Founder

- Bryan Davis, Founder/CEO

Executives

- Tim Simpson, COO/CIO
- Katherine Shen, President of Asia Pacific

Mobility Mission

- Sénuvo dedicates a portion of its profits to the Mobility Mission, a non-profit organization that provides prosthetic limbs to those in need.

Business Opportunity

- Sénuvo offers a lucrative business opportunity for its Independent Business Centers (IBCs) that generates 2.5 times more income than the industry average.
